

2013 Stuff-A-Bus Toy Drive *Going until December 20!*

Gallagher Home Health Services participated in the **96.1 KISS FM Stuff-A-Bus** toy drive on Wednesday, December 4, 2013 at 5 p.m.. All toys donated during the event benefited the **Marine Corps' Toys for Tots** program and went to needy children in Allegheny County.

- Even though the main event is over, Gallagher Home Health Services strongly encourages you to donate a toy and brighten a child's holiday.
- Drop off your new and unwrapped toys at either Gallagher Home Health Services location by **Friday, December 20, 2013**, and Gallagher will match your donation to the Toys for Tots organization.

*If you are unable to drop off your toys at our Carnegie or Monroeville locations, please contact your community liaison for an alternative method.
