## GALLAGHER HOME HEALTH SERVICES

*"We'll treat you like family"*

Our taskforce, consisting of an RN Case Manager, QA Coordinator, Director of Marketing and Education, Nursing Administrator, Clinical Manager, A.C.T. Program Manager, and a Therapist, meets monthly to evaluate outcomes and trends for all Gallagher patients. The purpose is to lead the charge in reducing unnecessary re-hospitalizations:

- Nurses help patient schedule Primary Physician follow-up visit within first three to seven days of care
- Providing education to staff on the prevention of re-hospitalizations
- Developing protocols in conjunction with our local hospitals to decrease all re-hospitalizations
- Maximizing the utilization of TeleHealth services
- Providing excellent care that drives unsurpassed patient outcomes, ultimately decreasing re-hospitalization
- Re-hospitalization audits on all readmissions
- Investigating analytics and trends related to re-hospitalizations including Primary Diagnoses, Physicians, Clinicians, and Length of Stay

## Peace of Mind

*Let us be your Post-Acute Partner*

Why Choose Gallagher Home Health?

### **24/7 AVAILABILITY**

A licensed nurse is always on call, prepared to answer questions and coordinate the appropriate care. No answering services!

### **PATIENT ADVOCATE**

We believe the needs of the patient come first! With that in mind, we employ a patient advocate to ensure each patient is receiving the best possible care and communication.

### **COMMUNICATION**

Great communication is critical for the patient to have a smooth care transition. Gallagher Home Health Services works closely with all partners to promote the highest level of communication.
