What are the Ingredients in ZenCortex?Grape Seed

Grape Seed in ZenCortex is rich in antioxidants that play a crucial role in protecting the ear from damage caused by free radicals. These antioxidants help maintain the health of the ear by neutralizing harmful molecules and supporting overall ear health.

Green Tea

Green Tea is a key ingredient in ZenCortex that is known for its ability to improve blood flow to the ears. By enhancing circulation, Green Tea helps provide essential nutrients to the ear, contributing to better hearing health and function.

Gymnema Sylvestre

Gymnema Sylvestre is included in ZenCortex for its unique ability to support hearing. This plant ingredient promotes overall ear wellness and may aid in maintaining the optimal function of the auditory system, contributing to improved hearing abilities.

Capsicum Annuum

Capsicum Annuum in ZenCortex offers support for healthy inflammation within the ear. By helping to regulate inflammation, this ingredient plays a vital role in maintaining the proper function of the ear and supporting overall ear health.

Panax Ginseng

Panax Ginseng in ZenCortex exhibits neuroprotective properties that benefit the auditory system. This ingredient aids in shielding the delicate structures of the ear from damage and may help improve the resilience of the auditory system.

Astragalus

Astragalus is included in ZenCortex for its ability to support clear sounds. By promoting the health of the ear structures responsible for sound transmission, Astragalus helps maintain optimal hearing clarity and sharpness.

Chromium Picolinate

Chromium Picolinate in ZenCortex is essential for supporting auditory health. This mineral plays a vital role in maintaining the proper function of the auditory system, contributing to overall ear health and well-being.

Maca Root

Maca Root is a key ingredient in ZenCortex known for its energy-boosting properties. By providing a natural source of energy, Maca Root helps combat fatigue and may enhance overall well-being while supporting cognitive function and auditory health.
